

# SHE Compliance Manager (Full Time)

**Location:** London  
**Industry:** Events/Sports/Architecture/Design/Construction  
**Job Title:** SHE Compliance Manager  
**Contract Type:** Full Time  
**Salary:** Negotiable, depending on experience  
**Start Date:** ASAP

## About Us:

ES Global are experts in the provision of bespoke, temporary structures, event overlay and staging with substantial projects taking place across sports, entertainment and culture including work for the Tokyo 2020 Olympics. The company is going through an exciting period of growth and expansion and we are strengthening the team across the business.

## Role Description:

As part of this expansion we are looking for a SHE Compliance Manager to join the team, to be responsible for the 'hands on' day to day management of Health and Safety. This is a new role reporting to the Production Director and a great opportunity to join a growing business and take responsibility for the compliance function of delivering our Projects.

## Key Duties and Responsibilities:

- Develop the existing health, safety and environmental policies and procedures.
- Implementation of health and safety procedures and ensure that these comply with the law.
- Liaise with Project Teams to ensure that all health and safety documentation has been prepared and is compliant.
- Facilitate all forms of risk assessment - manual handling, Working at Height, Lifting Operations, COSHH, Work Equipment, Hot Works etc.
- Implementation of any new legislation relating to health and safety.
- Carry out site Health & Safety inspections and issue reports.
- Comply with the requirements of ES Global's Quality Management System.
- Devise and improve the training matrix for all staff.
- Carry out H&S inductions and in-house training as appropriate.
- Undertake Workplace Safety inspections on a regular basis and ensure records maintained of same.
- Facilitate SHE audits and Quality Assurance.
- Investigate accidents and near miss reports and ensure all records are maintained.

## Essential Requirements:

- General NEBOSH Certificate
- At least 3 years' experience in a similar management role and knowledge of the following:
  - Risk Management
  - Method Statement Production and Review
  - Site inspections and investigations
  - Company preparation for Audits

- Compliance and maintenance of relevant standards
- Risk Assessment experience
- CDM Regulations implementation
- Lifting Operations
- Ambitious, enthusiastic, self-motivated individual able to work independently and unsupervised.
- Highly IT literate and competent, experienced user of general Microsoft Office software. Must have a confident attitude towards the use of technology.
- Excellent organisational skills and the ability to prioritise workload with flexibility to multitask.
- Excellent presentation, report writing and communication skills.
- A pragmatic approach to business and Client requirements.
- A full clean UK driving licence is absolutely essential.

**Preferable Requirements:**

- NEBOSH Construction Certificate
- NEBOSH H&S Diploma Certificate
- Previous experience with Environmental and Quality Management Systems
- General Management Qualification
- Graduate IOSH Status or CMIOSH status

**Apply to join our team!**

This is an exciting position that will be primarily based at our London headquarters.
